

BaByliss[®] MEN

**SUPER CLIPPER XTP
7475DU**

SAFETY CAUTIONS

- This appliance should only be used as described within this instruction book. Please retain for reference.

IMPORTANT CHILD SAFETY

- **ALWAYS** keep out of reach of children (during and after use).
- This appliance should not be used, cleaned or maintained by children.
- Always take extra care if used on children or near children.
- Do not use on very young children.

IMPORTANT SAFETY

WARNING! Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

- Do not immerse the appliance in water or other liquids.
- **UK Only:** This appliance must not be used in the bathroom.
- **Outside the UK:** If using the appliance in a bathroom, unplug after use as the proximity of water can be dangerous even if the appliance is switched off. For additional protection the installation of a residual current device (RCD) with a rated residual operating current not exceeding 30mA is advisable in the electrical circuit

supplying the bathroom. Ask your installer for advice.

CAUTION: Keep the power cord and the appliance dry.

- Always inspect the appliance before use for noticeable signs of damage. Do not use if damaged or if the appliance has been dropped. In the event of damage contact the Conair Customer Care Line (refer to 'UK After Sales Service' section for further information).
- Do not use the appliance if the charging adaptor or lead is damaged. In the event of damage, discontinue use immediately. If the charging adaptor or lead is damaged, it must be replaced by the manufacturer. Return the appliance to the Customer Care Centre (refer to 'UK After Sales Service' section for further information). No repair must be attempted by the consumer.
- Only use the attachments supplied with this appliance.
- **WARNING!** For the purposes of recharging the battery, only use the detachable charging supply unit provided with this appliance (CA80). This symbol  indicates there is a detachable power supply for means of charging.
- Do not leave the appliance unattended when switched on.
- Do not place the appliance on any surface whilst in operation.
- Special care is required when using the appliance close to the ears, eyes and face.
- This appliance should not be used by adults whose reduced physical, sensory or mental capabilities, or whose lack of experience and knowledge, might cause a hazard, unless they have been correctly instructed to

understand the safe use and hazards involved and are adequately supervised.

- This product contains a Lithium Ion rechargeable battery that is not to be removed from the appliance for charging. The batteries in this appliance are non-replaceable. Batteries must be disposed of safely at the end of life. Please take to a recycling centre for safe disposal.
- The supply terminals are not to be short circuited.
- For indoor, household, domestic use only.
- This product complies fully with all appropriate EU and UK Legislation and the standards relevant to this type and class of appliance. We are an ISO9001:2015 certified company that continually evaluates our Quality Management System performance. If you have any queries regarding product safety and compliance, please contact the Conair Customer Care Line (refer to 'UK After Sales Service' section).

INSTRUCTIONS FOR USE

IMPORTANT! Only use the charging adaptor and attachments supplied with this appliance.

General

- Always inspect the appliance before use to ensure the clipper blades are free from hair, debris etc.
- Use on clean, dry hair that has been combed until tangle-free.
- Ensure the appliance is sufficiently charged or plugged into the mains.

NOTE: The appliance should not be used for longer than 20 minutes when operated from the mains.

Oiling Instructions

- For optimum cutting performance, it is highly recommended to oil the blades after every use.
- When using the oil for the first time, unscrew the cap and cut off the very end of the plastic tube with a pair of scissors.
- Remove the blade guard and switch the appliance on.
- Holding the clipper at a 45 degree angle, gently squeeze the oil tube and apply 2 drops directly onto the blades.
- Leave the unit on for a further few seconds to allow the oil to thoroughly spread along the length of the blades.
- Switch off the unit and remove any excess oil by gently dabbing with a cloth before using on hair.

Comb Guides

This appliance is supplied with 8 comb guides and a left and right ear taper guide:

Cutting Length	Grade
3mm	#1
6mm	#2
9.5mm	#3
13mm	#4
16mm	#5
19mm	#6
22mm	#7
25mm	#8

- To attach a comb guide, ensure the appliance is switched off. Position the comb guide over the front of the clipper blade and slide over the head. Push and click the rear of the comb guide into position (Fig.1).
- To remove the comb guide, ensure the appliance is switched off. Push the tab on the rear of the comb guide away from the head and lift off (Fig.2).

Note: The blade cutting length without a comb guide is 0.8mm.

Fig.1

Fig.2

Left and Right Ear Taper Guides

The taper guides can be used above the ear to get a clean line.

- Attach either the left or right guide depending on which ear you are cutting above.
- Angle the clipper and gently stroke around the ear towards the back of the neck.

Taper Control

The taper control lever enables fine cut adjustment for precision clipping.

- To increase the cutting length, push the lever down.
- To reduce the cutting length, push the lever up.

Charging the Appliance

- Before using the appliance for the first time, charge the battery continuously for 2 hours even if you wish to use it from the mains. Maximum battery capacity will only be reached after 3 completed charging and discharging cycles.
- Plug the charging adapter into a suitable mains power socket and switch on at the wall. A blue LED light will flash slowly and continuously to indicate the clipper is charging. When the battery is fully charged the LED light will stop flashing and will remain alight.
- A 2 hour charge will provide 85 minutes use. A 30 minute quick charge will provide approximately 30 minutes use.

NOTE: Do not charge the appliance for longer than the recommended time.

- When the clipper is running low on charge, the LED indicator light will flash, warning you there is approximately 3 minutes left of battery use remaining.
- If the charging light starts to flash rapidly (more than 4 flashes per second) then the appliance is faulty. If this happens then please stop charging and remove the adapter from the mains and contact the Conair Customer Care Line. (See 'UK After Sales Service' section for further information).

Mains Operation

- Ensure the appliance is switched off.
- Connect the adaptor to the base of the appliance and plug the adaptor into a suitable mains socket.
- The blue LED charging light will flash when the adaptor is correctly inserted into the appliance and connected to the mains.
- The appliance is now ready for use.
- **NOTE:** The appliance should not be used for longer than 20 minutes when operated from the mains.

Cordless Operation

- Insert the adaptor into the base of the appliance, plug into a suitable mains socket and switch on. The blue LED charging light will flash when the adaptor is correctly inserted into the appliance and connected to the mains.
- Once the appliance is fully charged the blue LED charging light will stop flashing but remain on, unplug the adaptor from the mains.
- When the clipper is running low on charge, the LED indicator light will flash, warning you there is approximately 3 minutes left of battery use remaining.

Clipping

For an all over even cut:

- Attach a comb guide as required – your clipper is supplied with 8 comb guides (grades 1-8). Each comb guide is labelled.
- Switch the clipper on and the blades will start to move.
- Starting at the nape of the neck, hold the clipper with the teeth of the clipper pointing upwards, ensuring that the comb guide is resting flat against the head.
- Slowly move the clipper upwards and outwards through the hair towards your crown, against the direction of the hair growth. The comb guide will help to lift the hair and the blades will cut the hair at the desired length.
- Once the desired length is achieved at the back of the hair, start clipping the top and sides.
- Hold the clipper to the front of your hair with the teeth pointing towards the back of your head, and move the clipper towards your crown. Repeat as necessary, moving in rows from the front and the sides of your head to the back.

- You should achieve an even length cut all over your head.

For a shorter back and sides, with length on the top:

- Attach the longer comb guide as required for the top of your hair – your clipper is supplied with 8 comb guides (grades 1-8). Each comb guide is labelled.
- Switch the clipper on and the blades will start to move.
- Hold the clipper to the front of your hair with the teeth pointing towards the back of your head and move the clipper towards your crown. Repeat as necessary, moving in rows from the front and the sides of your head to the back.
- If you then wish to take the back and sides of your hair to a shorter length, switch off the appliance and attach a shorter comb guide.
- Starting at the nape of the neck, with the comb guide flat against the head, move the clipper upwards and outwards over the area you want to take shorter.
- Repeat on the sides of the hair, starting with the teeth of the clipper pointing upwards and comb guide flat against the area above the ear, again moving the clipper upwards and outwards.

Outlining:

- To tidy up the edges around your cut e.g. neckline and sideburns, detach the comb guides.
- Hold the appliance upside down, so the front of the clipper is facing towards your head.
- Hold the clipper straight on your sideburns or neckline and move the clipper downwards. This will give you a clean, smooth finish.

Cleaning & Maintenance

To maintain optimum performance, the appliance should be cleaned after each use:

- Remove the comb guide - the comb guides can be rinsed under running water. Please make sure they are dried thoroughly before storage or further use.
- Using the cleaning brush, brush and blow away any remaining hair from the blades.
- Do not disassemble the blades.

BATTERY DISPOSAL

This appliance contains Li-ion batteries. To protect the environment this appliance and its batteries must be disposed of safely. At the end of its life, please take this appliance to a recycling centre, where the internal rechargeable battery should be removed by a professional and recycled separately. For more information about the recycling of electrical and battery operated appliances please contact your local council office or your household waste disposal service. For specific enquiries regarding the replacement of batteries in this product please contact our Conair Customer Care Line (refer to 'UK After Sales Service' section).

UK GUARANTEE

This BaBylissMEN appliance is guaranteed for consumer use for 5 years and is only valid within the United Kingdom.

This guarantee covers consumer use only **i.e.** defects occurring under normal use within the home from date of purchase or date of delivery, whichever is later.

If the product develops a fault due to defects in materials or manufacture **within 12 months** from the date of purchase, to avoid delays and unnecessary inconvenience, where possible please return the product to the point of purchase for an exchange.

If the product develops a fault due to defects in materials or manufacture **after 12 months** from the date of purchase, and within the guarantee period, Conair UK After Sales Service will repair or replace the product.

Exclusions

This guarantee will no longer be valid meaning that The Conair Group Ltd will not be liable to repair or replace your product where:

- 1.) The appliance has been used on a voltage supply other than that which is marked on the product, or advised within this instruction booklet

- 2.) The appliance has been purchased from an unauthorised stockist*
- 3.) The appliance is used for professional / non domestic usage
- 4.) Repairs or alterations have been attempted by unauthorised persons
- 5.) The failure of the appliance is a direct result of misuse
- 6.) The failure is a result of not following the instructions for use

This guarantee does not cover any cosmetic damage due to misuse of the product nor any damage to persons or property that occurs because of product misuse.

**unauthorised stockists include, but are not limited to online auction sites, private sellers and those selling second hand goods, refurbished products etc.*

Please contact the Conair Customer Care Line on 03705 133 191 (09:00 to 17:00 Monday to Friday) or e-mail ukinfo@conair.com for further information on authorised stockists.

It is important to retain your proof of purchase. We recommend attaching your receipt to this page.

Even where a refund may be applicable, no refund will be provided without a valid receipt or proof of purchase, we will only be able to offer a repair or replacement service. Please note this does not apply if the product was purchased directly from The Conair Group Ltd.

Guarantees on replacement products run from the original purchase date or date of delivery, whichever is later, and **not** from the date of replacement.

This guarantee is an additional benefit and does not affect your statutory rights as a consumer.

If you have any queries regarding this guarantee please contact the Conair Customer Care Line on 03705 133 191 (09:00 to 17:00 Monday to Friday) or e-mail ukinfo@conair.com
