

BaByliss® **PRO**
PRECISION STYLIST TOOLS

TITANIUM FOIL SHAVER

BABFS2U

TITANIUM FOIL SHAVER

A heavy-duty dual foil shaver designed for precision fading and blending. With ultra-fine, hypoallergenic titanium foils for a close cut finish and high power cord/cordless motor to guarantee sustained performance for the ultimate finishing tool.

- High power cord or cordless performance
- Hypoallergenic titanium foils for close cut performance
- 3 hour charge time for 180 mins use
- All metal housing design
- Charging indicator
- 3m power cord
- Cleaning brush
- Storage pouch
- Includes replacement foils

SAFETY CAUTIONS

- Original instructions. Read these safety precautions carefully before using the unit! This appliance should only be used as described within this instruction booklet. Please retain for future reference.

IMPORTANT CHILD SAFETY

- **ALWAYS** keep out of the reach of very young children (during and after use).

- This appliance should not be used, cleaned or maintained by children.
- Always take extra care if used on children or near children.
- Do not use on very young children.

IMPORTANT SAFETY

- **WARNING!** Do not use this appliance near bathtubs, showers, basins or other vessels containing water. 
- Do not immerse the appliance in water or other liquids.
- Keep the appliance dry.
- **UK Only:** Do not use this appliance in the bathroom.
- **Outside the UK:** If using the appliance in a bathroom, unplug after use as the proximity of water can be dangerous even if the appliance is switched off. For additional protection the installation of a residual current device (RCD) with a rated residual operating current not exceeding 30mA is advisable in the electrical circuit supplying the bathroom. Ask your installer for advice.
- The appliance's charging stand and/or adaptor must be kept away from sources of water so that they do not fall into the water.
- **CAUTION!** Keep the power cord and the appliance dry. For appliances with a removable power supply unit, remove the power cord before cleaning.
- Always inspect the appliance before use for noticeable signs of damage. Do not use if damaged or if the

appliance has been dropped. In the event of damage contact the Conair Customer Care Line (refer to 'UK After Sales Service' section for further information).

- Do not use the appliance if the charging adaptor or lead is damaged. In the event of damage, discontinue use immediately. If the charging adaptor or lead is damaged, it must be replaced by the manufacturer. Return the appliance to the Customer Care Centre (refer to 'UK After Sales Service' section for further information). No repair must be attempted by the consumer.
- Only use the attachments supplied with this appliance.
- **WARNING!** For the purposes of recharging the battery, only use the detachable charging supply unit provided with this appliance – CA78M. This symbol  indicates there is a detachable power supply for means of charging.
- Do not leave the appliance unattended when switched on.
- Do not leave the appliance plugged in for more than 24 hours.
- Unplug immediately if any problems occur during use.
- Do not place the appliance on any surface whilst in operation.
- Special care is required when using the appliance close to the ears, eyes and face.
- This appliance may be used by children aged from 8 and older and people with reduced physical, sensory or mental capabilities or lack of experience and knowledge

if they have been given supervision or instruction on the safe use of the appliance and understand the hazards involved. Children must not play with the appliance.

- This product contains a Ni-Mh rechargeable battery that is not to be removed from the appliance for charging. The batteries in this appliance are non-replaceable. Batteries must be disposed of safely at the end of life. Please take to a recycling centre for safe disposal. If the battery leaks, avoid touching it and dispose of it at a recycling centre.
- The supply terminals are not to be short circuited.
- This product complies fully with all appropriate EU and UK Legislation and the standards relevant to this type and class of appliance. We are an ISO9001:2015 certified company that continually evaluates our Quality Management System performance. If you have any queries regarding product safety and compliance, please contact the Conair Customer Care Line (refer to 'UK After Sales Service' section).

WEEE - END-OF-LIFE ELECTRICAL AND ELECTRONIC EQUIPMENTS

In everybody's interest and to actively participate in protecting the environment and human health:

- Do not discard your products with your unsorted household wastes.
- The WEEE (Waste electrical and electronic equipment) must be collected separately.
- Use the return and collection systems dedicated to the

WEEE available in your area. In this way, some materials can be recycled, re-used or recovered.

- By ensuring this product is disposed of properly, you will help prevent potential negative consequences for the environment and human health due to possible content of hazardous substances.

For more detailed information about the disposal of this product, please contact your local household waste disposal service.

PREPARATION FOR USE

General

- Always inspect the appliance before use to ensure the foils are free from hair, debris etc.
- Always ensure hair is clean and dry before shaving.

INSTRUCTIONS FOR USE

Charging the Appliance

- Before using the appliance for the first time, charge the battery continuously for 3 hours. Maximum battery capacity will only be reached after 3 completed charging and discharging cycles.
- Plug the charging adapter into a suitable mains power socket and switch on. The blue LED indicator light will flash when correctly connected to the mains power and will continuously flash until the battery has fully charged. When the battery is fully charged the LED indicator light will stop flashing but remain on.

NOTE: Before charging, ensure the shaver switch is in the (0) OFF position.

- When the shaver is running low on charge, the LED indicator light will flash, warning there is approximately 3 minutes of battery use remaining. A 3 hour charge will provide approximately 180 minutes

use. A 30 minute quick charge will provide approximately 30 minutes use.

- If the charging light starts to flash rapidly (more than 4 flashes per second) then the appliance is faulty. If this happens then please stop charging and remove the adapter from the mains and contact the Conair Customer Care Line. (See 'UK After Sales Service' section for further information).

Preserving the Batteries

- In order to maintain the optimum capacity of the rechargeable batteries, the appliance should be recharged for 3 hours approximately every 3 months.
- Using the shaver on the mains - ensure that the shaver is switched off. Plug into a suitable mains socket. Wait for approximately a minute, and then switch on.

IMPORTANT: Do not use the shaver in this mode for more than 20 minutes.

Oiling Instructions

- For optimum cutting performance, it is highly recommended to oil the cutting blades after every use.
- When using the oil for the first time, unscrew the cap and cut off the very end of the plastic tube with a pair of scissors.
- Remove the foils and switch the appliance on.
- Holding the shaver at a 45 degree angle, gently squeeze the oil tube and apply 1 drop directly onto the cutter blades.
- Leave the unit on for a further few seconds to allow the oil to thoroughly spread along the length of the blades.
- Switch off the unit and remove any excess oil by gently dabbing with a cloth before using on hair.
- Replace the foils over the cutting blade.

Shaving

- The shaver is designed for a close cut on hair shorter than 1/32". If hair is longer, use a trimmer to shorten the hair prior to using the shaver.
- Remove the protective cover and turn the shaver on using the switch on the side of the unit.
- Hold at a right angle and move the shaver slowly and smoothly against the grain of your beard.
- Short, circular strokes will help to make the hairs stand out and make shaving easier.
- The foils should glide over the skin. Ensure not to apply too much pressure or this may cause damage to the foils.
- Turn the unit off using the switch on the side of the unit.
- Thoroughly clean the hair from the foils and the cutting blade to ensure shaving comfort during next use.

CLEANING & MAINTENANCE

- To maintain optimum performance, the appliance should be cleaned after each use.
- Never press on the cutting blades or the shaving foil as this can cause irreparable damage.
- Blow any remaining hair from the foils and cutting blades or use the cleaning brush provided.
- Ensure that no water gets inside the unit to avoid damaging the shaver.
- When cleaning, do not apply any detergents and do not use any abrasive or sharp objects. They can cause irreparable damage to the shaver.
- To clean the external surface of the shaver, use a damp cloth. Do not use strong detergents or other chemicals.
- To dry, wipe the surface of the shaver with a dry towel.

REMOVE & REPLACE THE FOIL HEAD ASSEMBLY

- Remove the foil head assembly by pressing the round release button located on the side of the shaver. Hold the foil head assembly on both sides and lightly pull away from shaver unit.

- Align the replacement foil head assembly over the cutters. Carefully move the replacement foil head assembly down towards the shaver unit until it firmly snaps into place.

CAUTION! Be careful not to damage the foils or cutter blades whilst installing.

REMOVE & REPLACE THE CUTTER BLADES

- To remove cutters, place your fingers on each side and gently pull up and away from the drive shaft.
- To replace cutters, align cutter above the drive shaft and lightly push down until it snaps into place.
- Replace the foil head assembly, turn shaver on to ensure it is working properly.

UK GUARANTEE

This BaByliss PRO appliance is guaranteed for professional use for 2 years and is only valid within the United Kingdom.

Exclusions

This guarantee will no longer be valid meaning that The Conair Group Ltd will not be liable to repair or replace your product where:

- 1.) The appliance has been used on a voltage supply other than that which is marked on the product, or advised within this instruction booklet.
- 2.) The appliance has been purchased from an unauthorised stockist*.
- 3.) Repairs or alterations have been attempted by unauthorised persons.

- 4.) The failure of the appliance is a direct result of misuse.
- 5.) The failure is a result of not following the instructions for use.

This guarantee does not cover any cosmetic damage due to misuse of the product nor any damage to persons or property that occurs because of product misuse.

This guarantee does not include consumable items such as blades, foils and cutter heads which are available as spares from our BaByliss PRO website; <https://babyliss-pro.conairspares4u.co.uk/>

*unauthorised stockists include, but are not limited to online auction sites, private sellers and those selling second hand goods, refurbished products etc.

Please contact the Conair Customer Care Line on 03705 133 191 (09:00 to 17:00 Monday to Friday) or e-mail ukinfo@conair.com for further information on authorised stockists.

It is important to retain your proof of purchase. We recommend attaching your receipt to this page.

Even where a refund may be applicable, no refund will be provided without a valid receipt or proof of purchase, we will only be able to offer a repair or replacement service. Please note this does not apply if the product was purchased directly from The Conair Group Ltd.

Guarantees on replacement products run from the original purchase date or date of delivery, whichever is later, and **not** from the date of replacement.

This guarantee is an additional benefit and does not affect your statutory rights as a consumer.

If you have any queries regarding this guarantee please contact the Conair Customer Care Line on 03705 133 191 (09:00 to 17:00 Monday to Friday) or e-mail ukinfo@conair.com.

UK AFTER SALES SERVICE

For further advice on using the appliance or should you need to return your product, please contact the Conair Customer Care Line on 03705 133 191 (09:00 to 17:00 Monday to Friday) or e-mail your enquiry to ukinfo@conair.com.

Return address:
Customer Care Centre
Conair Logistics
Unit 4, Revolution Park
Buckshaw Avenue
Buckshaw Village
Chorley
PR7 7DW

Please enclose your returns number, name and address details, together with a copy of proof of purchase and details of the fault.

Please note this Instruction Booklet is not the guarantee.

SAFE DISPOSAL

The symbol  on the product or on its packaging indicates that this product may not be treated as household waste. Instead it should be handed to an appropriate collection point for the recycling of Electrical and Electronic equipment. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. For more detailed information about the recycling of this product, please contact your local council office or your household waste disposal service.
